COTTON STATEMENT

New Orleans, July 25.—Secretary Hester's weekly New Orleans Cotton Exchange statement, issued to-day, shows for the twenty-five days of July an increase over last year of 9,000 bales, and an increase over the same period year before last of 58,009.

For the 328 days of the season that have clapsed, the aggregate is behind the 228 days of last year 2,181,000, and ahead of the same days year before last 1,794,000.

The amount brought into sight during the past week has been 30,484

The amount brought into sight during the past week has been 30,484 bales, against 30,428 for the seven days ending this date last year, and for the twenty-five days of July it has been 110,282, against 101,757 last year.

The movement since September 1 to date shows receipts at all United States ports, 9,772,107, against 11,924,453 last year. Overland, across the Mississippi, Ohio and Potomac Rivers to Northern mills and Canada, 978,362, against 1,258,779 last year. Interior stocks in excess of those at the close of commercial year, 56,180, against 19,221 last year. Southern mills takings. 2,687,000, against 2,472,429 last year. The total movement for the 328 days of the season from September 1 to date, 11,493,649, against 15,674,382 last

Stocks at the seaboard and the twenty-nine leading Southern interior centres have decreased during the week 25,116 bales, against a decrease during the corresponding period last season of 25,290, and are now 47,932 smaller than at this date in 1912.

Including stocks left over at ports and interior towns from the last crop and the number of bales brought into sight thus far from the new crop, the supply to date is 13,858,352, against 15,961,856 for the same period last year.

The statements of the weekly movement will now be discontinued for the remainder of the season.
